Program Overview

COMPETITION SCHEDULE

The competition schedule varies by team. Most teams will attend competitions hosted both locally and nationally, with the opportunity to be invited to and to attend End-Of-Season Events (i.e., The Summit Championship, The Cheerleading Worlds). Competition schedules will be released mid-August following final roster announcements.

SEASON TRAVEL

Travel expenses are not included in tuition. Athletes are required to book travel in accordance with any guidelines provided throughout the season.

TEAM PLACEMENT

When forming teams, we consider factors such as athlete skills, experience, and maturity. Team placement is primarily determined by birth year and skill level. Rosters are subject to change at any point and for any reason under coaches discretion. Initial team announcements will be sent via email on Sunday, May 19. Final rosters will sent on Friday, July 19.

TIME COMMITMENT

Participating in our All Star Elite program is a 12-month commitment. During June and July, teams will have two weekday practices. Sunday practices will begin in September and will continue until May 2025. Additional practices and extended practices will be scheduled during important times of the season. Athletes are expected to prioritize their participation in our program and to fully commit to attending all scheduled practices.

Tryouts are designed to be a positive experience for athletes to showcase skills.

Tryout sessions are not divided by age or level. Athletes should attend both days of their registered tryout session. All necessary tryout fees must be paid in order to participate. Private Tryouts are available upon request. Email omahainfo@cheerathletics.com to schedule.

Billing begins in June 2024 and continues through May 2025. Tuition remains consistent from month to month and is payable online through our customer portal.
