Team Overview

PRACTICE & ATTENDANCE

Most teams have one practice + one tumbling class (cheer athletes) or one technique class (dance athletes) per week. Teams with a bid or aiming for a bid to Summit/Worlds will have one additional practice per month. Non-Tumbling teams practice once per month on a Saturday. Extra practices are scheduled for all teams during important times of the season and typically take place on the weekend. The competition schedule varies by team and will be released after team placements. Additional date commitments will be released with each team's competition schedule. Athletes are expected to prioritize their participation in our program and fully commit to attending all scheduled practices.

TEAM PLACEMENTS

When forming teams, we consider factors such as athlete skills, experience, and maturity. Athletes that try out are typically selected for a team. Team placement is primarily determined by birth year and skill level. The 2024-2025 Competition Divisions and Age Grid is still being confirmed by SportCheer England and is set to change from the 2023-2024 season. Once set, we will communicate and share the changes accordingly. Rosters are subject to change at any point of the season and for any reason under coaches' discretion.

Following our success in securing bids to The Dance Summit 2025, we will be looking to achieve bids to The Summit 2026 for our Elite cheer teams within season two of Cheer Athletics Telford.
