Program Overview

TEAM PLACEMENT

When forming teams, we consider factors such as athlete skills, experience, maturity, and team needs. Team placement is primarily determined by birth year and skill level. Athletes that try out are typically selected for a team. Rosters, placement within routines, and participation, are subject to change at any point and for any reason under coaches' discretion. Team announcements will be sent to the email on file.

COMPETITION SCHEDULE

The competition schedule varies by team. Most teams will attend competitions hosted both locally and nationally, with the opportunity to be invited to and to attend End-Of-Season Events (i.e., The Regional Summit, The Cheerleading Worlds, The Summit). Competition schedules will be released after team placements.

SEASON TRAVEL

Season travel varies by team. Most teams will attend 1-2 competitions per season that require out-of-town travel. Travel expenses are not included in tuition. Athletes are required to book travel in accordance with guidelines provided throughout the season. Travel dates will be shared after the competition schedule is released.

PRACTICE AND ATTENDANCE

Participating in our All Star Cheer program is a 12-month commitment. During June and July, teams will have two weekday practices. Sunday practices will begin in August and will continue through May 2025. Additional practices and extended practices will be scheduled during important times of the season. Athletes are expected to prioritize their participation in our program and fully commit to attending all scheduled practices.

SPORTS ACADEMY

Cheer Athletics Plano has partnered with Sports Academy to provide every All Star Elite team with a unique strength, flexibility, and conditioning workout regimen for the 2024-2025 season. Workouts will take place once or twice per week immediately before or after a regularly-scheduled team practice. This perk is exclusive to Cheer Athletics Plano athletes and will further enhance our teams performance and training experience. Cost is included in tuition. Attendance is mandatory for all team athletes.

As part of our ongoing efforts to streamline operations for our athletes and families, we do not allow athletes to participate in tryouts at multiple Cheer Athletics locations simultaneously. This measure is intended to minimize disruptions during the team placement process and to ensure fairness for all participants.
