

CHEER ATHLETICS PLANO
ALL STAR PREP (FULL SEASON) TRYOUTS
2024-2025

PROGRAM OVERVIEW

ALL STAR PREP

All Star Prep is for individuals with limited tumbling who want to strengthen performance skills in a competitive team atmosphere. Prep teams typically require less time and cost commitments than are required of All Star Elite teams. Catalyst is the Cheer Athletics All Star Prep program and is the ideal place for athletes to get started in the sport of All Star Cheer. We offer both full season and half season competitive opportunities within the Catalyst program. Full season runs June 2024 through May 2025 and includes participation in several local competitions (within the state of Texas). There is no experience necessary to join the Catalyst program!

TEAM PLACEMENT

Team placement is primarily determined by Birth Year and skill level. Athletes that try out are typically placed on a team. Team rosters, placement within routines, and participation, are subject to change at any point and for any reason under coaches' discretion. Team announcements will be sent to the email on file with our customer portal platform.

As part of our ongoing efforts to streamline operations for our athletes and families, we do not allow athletes to participate in tryouts at multiple Cheer Athletics locations simultaneously. This measure is intended to minimize disruptions during the team placement process and to ensure fairness for all participants.

PRACTICE AND ATTENDANCE

Full season participation is a 12-month commitment. Catalyst teams practice once a week for two hours in the evening. Teams have two mandatory choreography days in August. Extra practices will be added during important times of the season. Athletes are expected to prioritize their participation in the program and to fully commit to attending all scheduled practices.

TRYOUTS

Tryouts are designed to be a low-stress, positive experience for athletes to showcase their skills and potential. Athletes must register for and attend a two-day Regular Evaluation Session. Once team rosters are set, athletes will be emailed their team placement and practice schedule. The first practice will be during the week of June 10. There will be a Coaches, Athletes, and Parents ("CAP") meeting at the start of the first practice.
